Fuelling the Fire

Will you partner with us?

There are over 15 million people living in rural areas in the UK. Our vision is to reach these people through the work of the Filling Station!

Many people in rural areas have no experience of church. Others will be committed to supporting their local church but need a space where they can receive, a "filling up" with the presence of God.

We want to reach and support all these people!

Investing in His kingdom

Since 2009 the Filling Station network has been rapidly expanding and there are now over 70 meetings in operation in 10 countries.

We have seen numerous healings, transformations and conversions at Filling Station meetings with over 3,000

people attending a meeting somewhere each month.

This is not where it stops. We believe that God wants to release an awakening in rural areas, bringing new life to His Church and birthing Christ in peoples' hearts.

As the Filling Station network we want to be sowing the seeds and ready to welcome these people into God's kingdom.

A new way

Finding new ways of encouraging and engaging with people has been key. Online training, online meetings and the roll out FillingStation@home will continue to be a strategic part of supporting and augmenting our in-person celebration meetings.

We want to see the church, in rural areas and anywhere we have influence, growing in health and strength.

**"I see Filling Station and Filling Station@home meetings springing up all round the country, bringing life to rural communities – like a pilot light igniting what God is doing."
– Richard Fothergill**

Our Vision for 2022

Outreach: Sharing the love of Jesus with 15 million living in rural areas

Discipling: Resourcing people to live as Jesus did

Empowering: People with the presence & gifts of the Holy Spirit

Equipping & supporting: Through training events, Kingdom Days, Renewal Conferences and Refuel

Releasing: People into Christian leadership
